## **Ensyst recognized as winner for 2014 Microsoft Country Partner of the Year**

**SYDNEY, Australia — June 3, 2014** — Ensyst today announced it has won the 2014 Microsoft Australian Country Partner of the Year Award. The company was honored among a global field of top Microsoft Corp. partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

“We are honoured to be recognized for the second time in just four years, having first won this award in 2011,” said Nick Sone, Ensyst General Manager. “Ensyst has received this award for outstanding delivery of Microsoft solutions and innovations, and commitment to achieving great customer outcomes,”

Awards were presented in multiple categories, with winners chosen from a set of more than 2,800 entrants from 117 different countries worldwide. Ensyst was recognized for providing outstanding solutions and services in Microsoft Australian Country Partner of the Year Award.

“Microsoft’s success as a company depends on great partners, and Ensyst is a shining example of the kind of innovation our partner ecosystem drives year after year,” said Phil Sorgen, corporate vice president, Worldwide Partner Group, Microsoft Corp. “We are honored to recognize Ensyst as this year’s winner of the 2014 Microsoft Microsoft Australian Country Partner of the Year award, and we applaud Ensyst’s dedication to providing innovative solutions that drive results for our mutual customers.”

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.
